

HETS EDI: How to Enroll

All providers and suppliers must enroll in HETS Electronic Data Interchange (EDI) to check Medicare beneficiary eligibility. Health care providers (including suppliers), vendors, and clearinghouses work together for HETS enrollment. CMS will move to a new HETS trading partner management system on May 11, 2026. Complete the enrollment process to ensure continued access to HETS.

1. Request access to HETS:

You must have an EDI enrollment to submit Medicare Fee-for-Service (FFS) claims transactions. We're now using the same EDI enrollment process as Medicare Administrative Contractors (MACs) and Common Electronic Data Interchange (CEDI).

When you enroll, you'll need:

- The name of the person authorized to sign on your organization's behalf
- Your email address (and optional alternate email address)
- Your Provider Transaction Access Number (PTAN)
- Your Individual or Group NPI, whichever one you use to bill Medicare claims electronically.*
- Effective date of your relationship with your vendor or clearinghouse
- Termination date (if any) of your relationship with your vendor or clearinghouse

2. Create a HETS EDI enrollment with **EACH/EVERY** which you have an electronic claims EDI enrollment. Your MAC or CEDI will verify your claims EDI enrollment before it approves HETS access. Multiple vendor or clearinghouse IDs can be linked to a single MAC HETS EDI enrollment. It's not required to enroll separately with each MAC for which an electronic claims EDI enrollment exists.

***Note: If you signed up for electronic claims submission using your group provider number, you must use that same group number when you sign up for the HETS EDI enrollment to check Medicare eligibility. You must enroll for each NPI that is submitted on eligibility requests.**

To complete this request, you will need the Etactics Unique ID: 6WCW

MAC HETS EDI Enrollment	Supports Jurisdictions
CEDI	JA, JB, JC or JD Complete HETS CEDI Enrollment Form
National Government Services	J6 (Home Health and Hospice - HH&H) or JK (HH&H) Click Start the HETS EDI Enrollment Form

<p>CGS</p> <ul style="list-style-type: none"> ● Part A ● Part B ● HH&H 	<p>J15 (HH&H)</p> <p>Click on HETS EDI Enrollment Form</p> <ul style="list-style-type: none"> ● J15 Part A ● J15 Part B ● J15 Home Health & Hospice
<p>WPS</p>	<p>J5 or J8</p> <p>CMS HETS ENROLLMENT / Provider Attestation</p>

****You must use the Correct NPI on ELIG Requests that matches what you enrolled on the HETS Site****

If you don't follow these steps or don't submit electronic FFS claims, you'll lose access to HETS. You can still register to use MAC's secure internet portal to check Medicare eligibility (PDF).
